

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW HAMPSHIRE

Jeffrey Carano

v.

Case No. 07-cv-124-PB

State of New Hampshire, et al.

O R D E R

Having reviewed the defendants' motion to dismiss and the plaintiff's objection, I agree with the defendants that plaintiff is seeking to challenge the viability of a state court judgment in federal court in a manner that is barred by the *Rooker-Feldman* doctrine. Accordingly, I grant defendants' motion to dismiss the complaint without prejudice to plaintiff's right to challenge the state court ruling in state court.

SO ORDERED.

/s/Paul Barbadoro
